PUBLIC SAFETY TIPS

• TIPS FOR HOMEOWNERS

- Keep all doors, including the garage, locked at all times.
- Do not post or tell anyone when you plan to be out of your house, such as when you are going on vacation.
- If you will be away from home, have a trusted neighbor or friend collect your mail.
- Avoid any scams by researching the sender and verifying their credibility.

• TIPS FOR DRIVERS

- Avoid leaving valuables inside your car. If it is necessary, lock them in the trunk, out of sight.
- Always be aware of your surroundings, especially in neighborhoods where children like to play.
- Drive safely and slowly around public areas, as there is much more foot traffic, especially *little feet*.

• TIPS FOR PARENTS

- Teach your child how to call 911 in case of an emergency.
- Create a list of contacts for your neighbors so they can assist your child if necessary.
- Make sure to know the route your child takes to and from certain locations.
- Create a set of rules for your child's internet usage. Teach them that it is never okay to give out any personal information without your permission.
- Teach your child that traveling in groups is safer, and to always check in before they plan to do anything.
- Have your child wear protective gear, such as helmets, when biking/skating.

ALWAYS REMEMBER

If you *See Something, Say Something*. Tell a first responder. Call 911 or call the non-emergency number at [843-743-7200](tel:843-743-7200).
