PUBLIC SAFETY TIPS

October is National Crime Prevention Month and Domestic Violence Awareness Month! With many prepping and decorating for the spooky events coming their way, especially at night, that means more distractions from outdoor Halloween décor and nighttime foot traffic. CCSO would love to make sure everyone is staying safe, even through all the spooks, haunts, and real dangers that lurk farther beyond the dark corners, shadows, and monsters under beds and closets. Below of 11 Safety Tips the Charleston County Sheriff's Office would love to share:

1. Always travel and park in illuminated, brightly lit areas.
2. If someone is standing near your parked car, don't approach it. Wait for them to leave or get someone to escort you.
3. Always be aware of your surroundings. After checking around your car, enter it quickly and lock the doors.
4. Take notice of people just sitting in their cars or hanging out in parking lot
5. If another car bumps your automobile in traffic, don't get out of the car. Use your mobile phone to call 911. Many times carjackers use this technique so that they can overpower you and steal your car.
6. If you're moving into a new home or apartment, don't to forget to change the locks if you own it or ask the manager to change them if you rent.
7. Stop leaving notes on your door announcing when you will be home.
8. Always double-check that you've locked all your home's doors and windows when you leave for the night.
9. If you arrive home and your door is open or things appear to be out of place, get out of the house immediately and call 911.
10. Don't allow strangers into your home, even if they are hurt or say they need help. Keep the door locked and call the police for them.
11. Think of investing in a high-quality home security system like those offered by Security Specialists

ALWAYS REMEMBER

If you *See Something, Say Something*. Tell a first responder. Call 911 or call the non-emergency number at **843-743-7200**. **IMPORTANT:** Teach your child how to call 911 in case of an emergency.

See a Deputy or First Responder, Give Them Your Thanks

All first responders work and live in our communities. When you see one of us (Sheriff, Police, Fire, EMS, etc.), walk up and say thank you, or good morning/afternoon. It will always brighten our day while we provide you "Service Beyond the Call".

HOW TO IMPROVE YOUR COMMUNITY

Be the change you want to see in your community. Making a positive change always starts with you! Engage with you neighbors, be active in your community and cooperate with your local law enforcement. Research any local events and participate in them. There are so many ways you can create a positive impact.
