PUBLIC SAFETY TIPS

Fall is here! Many transition from the long summer days with a good vacation or break in between, to the short, busier days in the fall. Colder months are ahead and it's best to start preparing now. Below are 15 Wellness Tips the Charleston County Sheriff's Office would love to share:

1. Start taking a Vitamin D Supplement
2. Take some time to yourself. Slow down and be more in touch with how your feeling.
3. Get your flu shot and/or yearly check-up
4. Boost your immune system. Drink plenty of water, wash your hands often, and eat nutritious foods
5. Get yourself ready for Daylight Savings Time
6. Make some plans for the cold months
7. Moisturize your skin
8. Buy in-season food
9. Stay Active!
10. Wear layers and protect your body from the dropping temperature
11. Do some "Spring Cleaning" in the fall
12. Prepare your home for possible extreme weather conditions. We are still in hurricane season, so prepare accordingly.
13. Get some books to read and shows to watch
14. Keep a schedule
15. Be kind to yourself. Listen to your body and give it what it needs. Don't beat yourself up for any holiday weight gain!
